The Muzrai Commissioner's recommendation is, no doubt, a good one but there are one or two points to be considered. The temple cannot get any cash grant if the land is resigned and no assessment is realised by Government. This has to be made clear. The probability of ~~risk~~ resignation may be ~~removed~~. Remote but it is as well to lay down this condition also.

12 It is not quite clear how the actual payment ~~of~~ to the temple will be regulated. Who will keep a watch over the recovery of the assessment from these lands and see that the respective shares of it go to Government and the temple? Will the assessment be brought under Land Revenue and the payment to the temple shown as a refund of Land Revenue? Are there any cases of this kind and if there are, how are the connected transactions shown in estimates and accounts?

13 I do not quite understand how the Muzrai Commissioner states that the interest

Min. The resumption of Crown lands endowed to Muslim institutions & the substitution of a suitable cash grant was one of the subjects discussed at the last Dy Comm's meeting.

2nd The Muslim Comm is requested to submit a list of cases with suitable proposals.

It is desirable that some general rule which will be equitable without imposing undue burden on the general taxpayer should be devised.

3rd The Muslim Comm's proposal in this case does not strike the right of the other side. I should think there should be some reasonable reduction in the permanent cash grant based on assessments so as to compensate the losses consequent on the lands being out of occupancy, or the arrears not being recoverable &c. The ~~Govt~~ ~~income~~ present income under a revision settlement is not remunerative either to Govt or this account.

GEN. & REV. SECTT. PR 2 AUG. 1926 G. D. SECTION.

Sir,

I have the honor to submit herewith copy of letter No.R.C. 238/18-19 dated 23rd June 1926 from the Deputy Commissioner Shimoga District recommending the resumption of inam S.Nos.37 and 38 of Hosur village, endowed to the Sri Narasimhadevaru at Kohalli in the Kumsi Sub Taluk and the grant instead of a cash inam of Rs.53-5-0 being the Jari on the lands and to state as follows:--

3

The total extent of both wet and dry lands endowed to this institution as inam is 48 acres 15 guntas, assessed at Rs.89/- and bearing a Jodi of Rs.11/6. Of this extent S.Nos.37 and 38 of Hosur village constitute the major portion measuring in all 34 acres 7 guntas with an assessment of Rs.60/- and a Jodi of 6/11. These two S.Nos. are reported to be lying bangar for over 40 years and over grown with scrub jungle to clear which an outlay of over Rs.2000/- is stated to be required. As no one would take up these lands, arrears of Jodi due to Government on these S.Nos. accumulated to Rs.114-15-0 from 1915-16 to end of 1922-23 and had to be written off in April 1926. To avoid the recurrence of a similar contingency the Deputy Commissioner was asked to send up his recommendation for the conversion of the tenure of these two S.Nos. from inam to sircar, the temple being given a cash grant equal in value to the Jari of Rs.53-5-0 on the lands.

In this connection, I may mention that Government have on a previous

previous communication in the matter observed (vide Muzra letter No.2376/Muz.803-18-4 dated 11th January 1921) that the may be leased out to one Hanumantha Rao for more than 5 years with sanction of Government if necessary. The enclosed records show that the Sub Division Officer inspected the lands with the Amildar and Venkatarao the son of the above-named darkastdar Hanumantha Rao and reported that Venkatarao was willing to take up the lands if they were enfranchised and given to him on shraya tenure paying ¼ kandayam for the 1st 5 years, ½ kandayam for the next ten years and full -- kandayam from the 16th year. The Deputy Commissioner recommends the grant of the request.

Though the interests of Government would suffer by resuming banjar lands and sanctioning a cash grant therefor, yet I think that having regard to the interests of the institution which otherwise may have to relinquish them as no good use can be made of them the inam tenure of the S.Nos. may be cancelled and the lands sold outright on shraya tenure such as the one offerred by Hanumantha Rao's son. If there are more competitors than one and the lands fetch any upset price, the same may be credited to the temple. During the period of shraya the partial assessment recovered may be --- divided between the temple and Government in the proportion of the present Jari and Jodi and after the full assessment becomes due a cash grant of the full Jari of Rs.53-5-0 may be made to the temple as it is unlikely that the lands will be resigned after they are -- once improved and brought under cultivation.

I beg to commend the above suggestion for the kind consideration of Government and early orders.

I have the honor to be,

Sir,

Your most obedient servant,

C.S.Balasundaram

"In forwarding herewith a file of records ending with the -- emo No.L.C.696/25-26 dated 15th June 1926 from the Sub Division - fficer Tirthalli Sub Division re the resumption of the Inam ---- urvey Nos.37 and 38 of the Hosur village, endowed to the Sri ---- arasimha Devaru at Kohalli in the Kumsi Sub-Taluk, - have the onor to state that the said survey members are reported to have een lying fallow for the past 30 or 40 years. After enquiry, he Deputy Amildar of Kumsi reported that no body came forward -- to take up thelands for cultivation. A reference was then made to the Revenue Commissioner in this office No.S.H.C.234/18-19 dated 2nd December 1925 to write off the accounts a sum of Rs.114 5-0 being the arrears on the temple khate for the years 1915-16 to 1922-23 inclusive. He was also requested to obtain the ----- sanction of Government for the cancellation of the Inam tenur . In reply thereto, the Revenue Commissioner accorded sanction to write off the arrears and stated that a separate reference might be made to the Muzrai Commissioner in the matter of the cancellation of the inam tenure and for a cash grant to the temple in exchange (vide copy of his official Memo No.D$_1$ Dis.736/25-26 dated 5-4-1926 herein enclosed.

The total extent of thelands under reference is as per ---- details on the margin 34-7 A-G assessed at Rs.60/- bearing a jodi of Rs.6-11-0. The Jari accruing to the institution is therefore --- Rs.53-5-0. It is now recommended to make a cash grant of this amount to the temple in lieu of the Jari. Sir,

With reference to your letter No.825/Muz.40-26-4 dated the 2nd instant in re the cancellation of the Inam tenure of two S.Nos of Hosur village endowed to Sri Narasimhaswami temple at Kohalli, Kunsi Sub Taluk, and the grant of a cash tasdik instead, I have the honor to state that in order to obviate the inconvenience of keeping a watch over the recovery of the assessment on the above said lands and distributing the same in certain proportion between --- Government and the temple, the institution may once for all be -- given a cash grant of Rs.53-5-0 in lieu of the Inam lands; but during the period of shraya of the lands the grant may be subjecte to a corresponding reduction i.e., ¼ of the amount will be paid - for the first five years, ½ for the next 10 years and the full -- amount from the 16th year. As regards the laying down of a --- condition that the payment of the cash grant is dependent on the land being under occupancy, I beg to state that such a condition, if attached, will, in the event of the contingency happening, hit the institution hard by an abrupt fall in its income to an appreciable extent and it will also be somewhat difficult to watch and enforce in practice. With a view to avoid the prospect of any such --- unfortunate circumstance, it is recommended that the cash grant - may be given permanently. I beg that Government may be pleased to take a generous view of the case and accord their kind sanction -

after they are under occupation for 15 years and improvement effected. Besides it seems to me that by the arrangement proposed above the interests of Government will not also suffer since it is quite possible that a higher rate of assessment would be imposed during the next Survey-settlement on account of the improved --- condition of the lands by that time.

The records received with your letter are herewith re-submitted.
